

SEVERE ACTION AGAINST GUIDES

AN Soliciting in Center of Town will be Thing of the Past if New Ordinance is Enforced. Council Holds Meeting

Taking the most drastic action in recent years, the world guides and solicitors for the town council, by unanimous vote of the present, passed an ordinance forbidding soliciting at any place on Centre Square or on any one of the first four blocks from the Square. The measure would have provided for a fine of \$100 for anyone who violated it. This will remove entirely, it is believed, the annoyance to automobilists, tourists, and the guides and solicitors want to establish themselves at places some distance from the large hotels and the central business district. It will also remove the nuisance from all other parts of town, except the Square and the four blocks indicated. Soliciting shall be prohibited between the two curb lines—thus requiring the guides and runners to stay on the sidewalks and preventing their stop-

Council also passed an ordinance requiring all automobiles and other vehicles to keep to the right in going through the Square and requiring them to keep as close to the curb as conditions permit. Cars and vehicles stopping at the curb must stand at right angles to the pavement. Borough Attorney, George, said that the Board

Other business transacted by council included the granting to Officer Smiley of \$10 toward a uniform, payment to be made \$1 monthly; the giving of instructions to Borough Solicitor Swepo to take up with the Western Maryland Railway the changing of their tracks at Stratton Street to conform with the borough grade; the ordering of a fireplug at the corner of Lincoln avenue and Munnsville street; the ordering of an electric hook at Stratton street.

at the alley on Washington street between High and Middle; at the ordering of notification of removal within ten days sent for the house.

Councilman Gilbert suggested that the council take up the alleged high rate paid for gas in Gettysburg. Mr. Kelso stated that the Public Service Commission had made an exhaustive examination here following complaints made by Henry Kaitlisch, concerning the price and the quality of the gas.

A letter from the State Board of Health called the attention of County Commissioner T. J. Tilor to the condition of the Tilor as Secretary Kitzmiller was instructed to answer it and say that efforts were being made to remedy matters.

A bill from receivers for the Western Mailman Electric Company for services in connection with plans for the proposed electric light plant was tabbed. They were paid \$209 and have a bill for \$155 additional. County clerk understood that the Com-

The college men who had forsaken class room, desk and blackboard for the afternoon of fun, showed remarkable agility, most of them becoming so much enmeshed that they surprised the teachers with a "bluff" in mid-air. Professor Wing and Dickson composed the battery of the college team, the other members of the faculty taking the place of Professors Shipley, Billhaver, and Watts. Monks, Sanders, Croucher, and Kirby, Prof. Brown singing. The Prep faculty was assisted by several of the boys under their charge. Assistant Principal Rice was in the box and proved effective in trying situations.	CHAMBERSBURG	Our	June 11, 12, 8 June 21, 22, 9 a. m. COAL CONTRACT GETTSBURG MAN BALDWIN OPPOSES NEW PLANS FOR URGES DISMISSAL PATRIOTS GET FINALLY AWARDED HEADS LUTHERANS STANDPIPE IDEA MEMORIAL DAY OF WILLIAM TEST MORE RECRUITS

After Two Offers of Coal Satisfactory
Head of Power Directors
Place Contract for Winter's Coal Supply.

The contract for furnishing the coal for the County Home has been awarded for the year to Scott Brothers, of Gettysburg, the lowest bidder. They will furnish 60 tons of bituminous, 14 inch screen, Friday night, at \$2.30 per gross ton; 10 tons of hard anthracite coal at \$2.50 per gross ton; and 50 tons of anthracite coal at \$2.50 per gross ton.

This year the directors were compelled to advertise twice for bids for furnishing coal. The first time bids were asked for delivery "on trust." Some of the local dealers do not have trevellers and the bids were made in a variety of ways that, in order to be fair to all, re-advertisement was made, this time for delivery "on trust." Again some of the bids were made in a manner from which the directors had some difficulty to ascertain just what figure the dealers were quoting, but in the end, the entire number, the figures furnished by Scott Brothers were the lowest. The contract was accordingly given to that firm. The directors have lately been visiting their semi-annual round of visits to the children placed in their various homes, and have been very successful. They have completed the investigation and report things satisfactory.

MEMORIAL DAY Plans at Several of the County Towns.

The arrangements for the observance of Memorial Day at Gettysburg on Saturday have been completed. Dr. J. M. H. B. Oyster, pastor of the First Methodist church, is the chief marshal and the parade will form at the school house at 8:30 in the afternoon. The parade will be on West York street and South Main street, and will move in this order, in charge of chief marshal William McDonald, with Mrs. Snyder and F. M. H. B. Oyster as aides; Biplerfield hall, Lutheran Sunday school, United Brethren Sunday school, Reformed Sunday school, Antietamville school, Biplerfield hall, and the G. A. R. Post, speakers and carriages.

After arriving at the cemetery square, the parade will move on to the streets of town, passing by the houses of Messrs. W. C. H. B. Oyster, pastor of the First Methodist church, and by the houses of Messrs. W. C. H. B. Oyster, pastor of the First Methodist church, and by the houses of Messrs. W. C. H. B. Oyster, pastor of the First Methodist church.

ENTERTAINED AT BRIDGE Gettysburg Club Guests at Dinner, Game.

The Antietam Bridge Club was entertained on Thursday at the home of Mrs. William C. H. B. Oyster, pastor of the First Methodist church, and by the houses of Messrs. W. C. H. B. Oyster, pastor of the First Methodist church, and by the houses of Messrs. W. C. H. B. Oyster, pastor of the First Methodist church.

SEVEN CALVES Killed by Train on Main Road.

William Anthony, a farmer, residing on the main road, near the Antietam bridge, has lost seven calves, the owner of a cow, which was killed by a train, in two years, all of which, from two years ago until today, were killed. The loss was another of the many losses and ten days ago were killed.

Dr. Sigmaster Elected President of the General Synod, now in Session. Will be Help toward Getting Meeting here.

On the first ballot taken at the opening session of the Lutheran General Synod at Akron, Ohio, on Wednesday, Dr. J. A. Sigmaster, of Gettysburg, was elected president. The delegates number about 100 and represent twenty-four districts, with a membership of 100,000 members.

Dr. Sigmaster was mentioned as a prominent possibility for the office of president before the opening of the synod. But he is not a member of the synod, but a member of the general synod, and he is not a member of the synod, but a member of the general synod, and he is not a member of the synod, but a member of the general synod.

THE KITCHEN & CUPBOARD

WITH the prices nearing some-
where in the rafted upper at-
mosphere it is most important
the housewife shall know of some-
cheap dishes which will serve to help
her reduce the high cost of living.

Get a piece of fresh fish, four

press part of it. Take out a pint at a time and
the water the flask was boiled in and add to the
sava for soup, with small pieces of meat. The
meat left over; then make boiled hindoo soup.
Second day have vegetable hindoo soup. Add
peas, lentils, turnips, carrots, cabbage, cress
and onions and warm them up in the
little beef dripping. Serve your pea soup
and meat, also mustard with meat.
Third day have a small vegetable soup
soup or stew. Take some of the water
the pint of water was boiled in and add to the
peas and vegetables dried not too fine, the
rots, yellow turnips, cabbage, onions, carrots
and potatoes. Make dumplings if you

Roast Fowl.—The boiled fowl is chicken while still hot, wiped dry with a clean towel, rubbed with butter dredged with flour, browned, in a hot oven, and you have a roast chicken.

Fillet of Haddock.—Take as many slices weighing about five ounces each as there are guests, remove the skin and flatten them slightly. Season with salt, pepper and add three raw oysters. Place the fish in paper bags, which come for the purpose. Mix a little flour with two cupfuls of cream, pour about a spoonful of the mixture into each bag, add a little sweet

alps. Black Sherry twice infused.
Rock Hamberg Stew—Boil half
cupful of lentils until they are soft,
then drain and wash. Add four table-
spoons of strained tomatoes, a
wheaten egg, two tablespoons of oil,
and let simmer. Rub smooth with a
hot water, half a cupful of bread or
cracker crumbs, a little chopped onion
with salt, pepper and sage to season.
Mold into patties and fry. Lay co-
lors before trying. The amount will serve
four persons. A tomato soup made
with the above is made as follows:
Take cupful of canned tomatoes, two to
three of peeled, and a tomato juice
spoonful of those to thicken, season
with salt, pepper and sage. Strain
meat.

Instructions: Mix the mass well with the gloves, then apply it to the surface and let stand for 24 hours before using.

White-wash is cheap. It can be easily made and still more easily sold. And it does the parasite's business. White-wash your house today and keep it whitewashed for years. The price of a pound of paint is worth a pound of cancer, especially when it is a high priced one.

never Taken into Camp by the Patriots who Showed Form that Delighted the Several Hundred Bettebushers Fann Present.

Gettysburg 5, Hanover 3.
What an auspicious beginning! In-
ding the territory of the old foe,
a new Patriots charged the rem-
nants, battered down the gunners, and
after routing the defenders brought
home the booty. And there was not
a casualty. That home plate re-
mained as untouched by the Hanover
series as though the game had

Twelve hundred people gathered for the fray and it was a surprised crowd. Hanover confident of winning. Gettysburg exceedingly dubious, and others all looking for loose work on both sides—this was the state of the menagerie, but all predictions went awry. The game was early in complete control of the Patriots and mid-afternoon ball was a rule of the day.

To begin with, the several hundred voters, who accompanied Plank's charges are convinced that, just as it now stands, the town is represented by "some team". Bill Stair, on the stand, comes in for first mention, seeming to delight in getting men on cases, worrying his supporters, and then turning their sorrow in joy by blanketing the would-be Hanover heroes. In only one instant did men feel

Kelly, with a total of four outs and three hits, was the star of the outfield, though Jones' difficult catch in the fourth with men on second and third saved two runs, and Rudolph,

With his two timely hits, and long running catch of a foul, was due for his share of the praise. Stover at short made one difficult stop after another and caught men at second and first by his fast throwing. He was decidedly due for a place among the stars of the day.

Reeder had the longest hit of the game, a three bagger in the ninth, and he bent the men on their toes.

But how about Mr. Oyler, alias "Muff"? We have saved him until the last and will give him a paragraph all to himself. It was he who delivered the two bagger which drove in Gettysburg's first two runs, it was he

who scored one of the last two, it was he who forgot a bruised and painful finger sufficiently to hurry that ball along over to live for oets when cuts were needed, and it was he who proved that Gettysburg has some real stuff right here at home. All honor to Murphy!

So much for the individual men. As to the game itself and the accruing thereof the following is of interest.

the second, Gettysburg had three earned runs, Plank drew four batters was forced out at second by Stover. Kelly came across with his first hit and both scored on Oylar's two banger, Muff coming in on Stair's clean hit. In the fourth Oylar was safe a first when Hostetter dropped Starr's throw, Stair was hit by a pitched ball both advanced a base on Bender's se-

PLAYERS HAVE TO GIVE CLEAN BALL IS BADLY HURT MOTOR PARCEL POST TO YORK BELL TELEPHONE INVENTOR, HERE CHILDO INURED BY ANGRY COW NEW QUESTION FOR COUNCIL

Fam Will Stand for Nothing Else on the Blue Ridge Circuit. Several Towns Criticize Conduct of Some of Their Men.

That no unsportsmanlike tactics will be permitted in the Blue Ridge League is indicated in the comments of several newspapers criticising their own players for conduct which fans found objectionable. Just in passing it might be said that this rule of all games scheduled for Wednesday and the day was one of unbroken line.

The Patriote returned from Chambersburg in the afternoon and will remain here until time to go back for their Friday game.

But more about the conduct of the players when opening in Chambersburg a week ago, Strick, manager of the Maroons, conducted himself in a manner which was severely reprimanded in the Public Opinion of the following morning. He charged that he tried to halt the umpire, and he and all other players on the team were quick to deny that the fans of the team would not uphold them and that sport of the team was not a thing, that could get their approval.

In Haver the other day one of the players for R, and who was with "restraining" the ball, told there was no reason for R, and that if this sort would not be permitted in a major league. Other towns seem to be equally anxious that the players conduct themselves in a manner to win the approval of the last fans of the game. The work of the umpires in the games of the opening week was not so good as the work of the players, who are one but themselves to run the game—a more noticeable accomplishment.

The attitude taken is most gratifying for, when the towns take up the matter, the work of the umpires in the games of the opening week was not so good as the work of the players, who are one but themselves to run the game—a more noticeable accomplishment.

Young Boy Avoids Electric Current by Not to Be Struck by Car Driven by McSherrytown Men. Several Injuries the Result.

Herbert Nicholas, the 15-year-old son of Mr. and Mrs. H. C. Nicholas, of York, is in a serious condition suffering from injuries received when he was run down on town Tuesday by an automobile driven by J. C. Herber, of "Hot Cakes," McSherrytown.

The boy, who was rather stately, was nearly smothered being struck by a electric current, driven by Mr. Kaufman. In getting out of the way of Mr. Kaufman's car, he skated directly in front of the automobile being driven by Mr. Herber.

Mr. Herber stated that he could not turn out of the boy's path without striking the automobile driven by Mr. Kaufman. He endeavored to turn his machine on the automobile, and in doing so struck the boy who also turned in that direction. The lad was picked up and carried to his home and a physician summoned.

Mr. Jones found that the boy was suffering from a fractured left thigh and collar bone, a severe case of concussion of the brain, and a broken arm.

Mr. Herber drove to police headquarters, where he gave his version of the accident, which was corroborated by several witnesses, who stated that Mr. Herber was driving at a high rate of speed and was unable to stop his machine before striking the boy.

MISS SARAH WEISZELMAN

Interment Made at Butch Meeting House Cemetery.

Miss Sarah A. Weiszelman died Sunday morning at 10 o'clock at her home in Conowingo township near Pleasant from the effects of a stroke of paralysis which she received on Saturday night. She was 52 years, 8 months, and 12 days of age.

She was the daughter of the late Casper and Susan Weiszelman and was born in Union township.

Her father, William A. Trane, who resided with her, two brothers, John and William, and sister, Mrs. M. A. Weiszelman, of Danville, and David Weiszelman, of York, also survive.

The funeral was held Wednesday morning at 10 o'clock at Butch Meeting House, Rev. S. A. Culp officiating.

Frederick is Authority for Proposed Switch to Link Gettysburg with Neighboring County Seats, Benefit to Farmers and Citizens.

If plans made known by Fourth Annual Postmaster General James A. Brodhead to former Congressman A. B. Brodhead in a recent conference at Washington, are carried to consummation, a rural parcel post express motor line is soon to be established between York and Gettysburg for the accommodation of farmers, merchants and consumers.

The scope of the parcel post system is growing and great improvements in the facilities of the system are in contemplation. Several experimental motor express lines have been established in various parts of the country and it is proposed to select the high way between York and Gettysburg as one of these experimental lines, because a typical rural and industrial community would be traversed.

In establishing the proposed line the purpose would be to provide the people living in the territory to be traversed with the facilities of the parcel post system, to deliver the milk, butter, eggs, fresh poultry, fresh fruit and vegetables, and other perishable goods. At the out-of-the-road trip would be made and a covered auto would be used. The car would be operated at a speed of 30 miles an hour, and the trip would be made in 10 minutes. The route would be made in 10 minutes, and the trip would be made in 10 minutes.

The benefits of the line to shippers and consumers in York and Adams counties would be great. It would be a great convenience to the people of Adams county, who would be able to ship their goods to York and Adams counties.

WILL MEET HERE

State Catholic Society Picks Gettysburg for Next Year.

Gettysburg has been chosen for the next year of the 1918 convention of the Pennsylvania Catholic Beneficial League, now in session at Lancaster.

The delegates from the Father Curry Council representing the district of York, Lancaster, and Adams counties, are Harry F. Brighner and Edward P. Hamilton. They were successful in advancing the claims of Gettysburg for next year.

The State organization is about 60 years old and is composed of a large number of local societies. It is the largest organization of its kind in the state, and it is the largest organization of its kind in the state.

Officers elected at Lancaster, or whom most of the arrangements for next year's convention will be made, are: D. F. Mages, Lancaster; president; Edward Brighner, York; vice president; Harry F. Brighner, York; secretary; and Edward P. Hamilton, York; treasurer.

Summers Two Days in Gettysburg with Members of his Family, Came with Trip over Battlefield. Predicts Great Future for Telephone.

Alexander Graham Bell, inventor of the telephone, was here Thursday with a party of friends. They arrived by automobile. Tuesday evening from Frederick and while here expressed at the Hotel Gettysburg.

Predicting that years of apparently futile experiments would one day result in the invention of the telephone, Mr. Bell had predicted the future of the telephone.

When asked if any change had been made relative to the location of the system whereby it would be possible to secure sight over a telephone, Mr. Bell replied that he had not. He said that he had not.

PLAN TO RE-OPEN COUNTRY REE FIELD

Industry Long Buried would be
Revised in the Vicinity of York
Springs. Much Taken out Some
Years ago. The Workers Then

A party of Pittsburgh capitalists have leased the farm of Jacob L. Brown, near the Catholic territory in the above York Springs, and will begin operations for the mining of iron ore in a short time. Negotiations have been in progress for some time and the necessary papers are being written and signed, giving the Pittsburgh man the right to take over on the place.

Thirty four years ago Major Markham was conducting the Maville lead furnace and manufacturing pig iron and he had a mill by the name of Foreman out seating on near his land. Foreman had a mine opened up on the place, and the winter of 1881-82 several hundred tons of magnetic ore were taken out and turned into slag at the Maville furnace. Among some of the men who worked in the mine were William Thome, William Thome, James Thome, William Thome, and Gilbert Thome.

The Pittsburgh man was to lease the Maville Brothers farm adjoining the Foreman farm. In making the lease several firms in that section the company has failed.

Due to the presence of magnetic ore.

NEW FIRE IN FREIGHT YARD

Station, Supposed to have been
Caused by Spontaneous Combustion.
Quick Action.

Gettysburg on Monday, a Western Maryland box car was found "blasted" and the cause of the fire was extinguished. All its contents were destroyed and the freight house was damaged. The cause of the fire is not known but it is supposed to have been caused by overheated pipes.

It was first discovered when C. W. Myers, the local agent, chanced to see a fire in the yard where the flames shooting from the car. A consignment of phosphoric acid was in the car and it is supposed to have exploded with loud reports. Mr. Myers ordered the yard crew to take the car out of the yard and the men, fearing the freight house and they succeeded in doing this with the shifting engine.

One of him, held in reserve at Fire Chief Plank's house, was quickly connected with the fire. He was sent to the engine house and succeeded to check the flames until the arrival of the fire company, which was called in about 10 minutes after the fire was first discovered.

When smoke was seen coming from the building, all the firemen were devoted to saving that building and in

The contents of the car consisted of seventy five drums of phosphoric acid syrup, a material used in the manufacture of soda fountain drinks.

agriculture which made a special effort to secure accurate data on effects of the weather on the crops of June 1, show that the wheat prospects of the state have improved materially. The condition of the wheat is 82, as compared with an even 70 for June 1 for the last ten years. This is an improvement of two cent over May 1 and of four per cent over April 1, according to the figures compiled by Chief L. H. Wibbe.

ports show that approximately per cent of the acreage sown in wheat last fall was plowed down and sown with something else, mostly corn oats.

It is estimated that 1,312,000 a of wheat will be harvested this and present indications are that crop will be about 15.3 bushels to acre. This should make it over 600,000 bushels, which will be a of what it was last year. The slant is to show some damage.

SUNDAY'S CHOC LEADER IN TOWN

Among Other Noted Visitors to the Battlefield in Famous Evangelistic Singer, Army People Spend Time in Touring Areas

Homer Robinson, musical director at all of Billy Sunday's revival campaigns, was a Gettysburg visitor on Friday afternoon. He was his daughter, Miss Ruth Robinson. They came by automobile. Mr. Robinson was on the battlefield after taking luncheon at the Eagle Hotel. He was accompanied by a man called "Buddy," wherever Sunday conducts his services, has complete control of evangelistic lyrics and is known all over the country.

Lieutenant S. C. Brady and Mrs. Brady had a party of friends here to tour the battlefield on Friday. Lieut. Brady is one of the instructors at the United States Military Academy at West Point. Mrs. Brady and daughter, of Mount Vernon, were among the guests. They were registered at Hotel Gettysburg.

H. G. Carter, a retired United States Army officer, was here on Friday with Mrs. Carter and enjoyed some hours on the avenue. They were more or less frequent visitors to Gettysburg, coming frequently from Washington by motor for a visit of a day or two.

Reservations have been made at the Eagle Hotel for General and Mrs. G. W. Smith, members of the Pennsylvania Gettysburg Monument Committee, who will visit here on Saturday. It is believed that their trip will be to inspect the latest war situation here, and possibly to make some arrangements relative to their travelling.

ROBBED COUNTY PEOPLE RAILROAD STATION TAKEN BY DEATH

Thousand Dollars Worth of Goods
Removed from Trucks at Western
Market Office on the Mountain.
Thieves Escaped.

The station house of the Western Maryland railroad at the Silver Spring station was broken into early Thursday morning and five trucks and two trailers were opened and their contents abstracted, while two other trucks were opened and rummaged and their contents also were taken. The robbery was reported by the station foreman, one of the trucks was found along the railroad and one is missing.

The value of the contents of the trucks cited was not over \$100. They contained bed linen, table linen, of the finest quality, blankets, valuable wearing apparel, dresses, hosiery, jewelry, haberdashery, etc.

The robbery was discovered early in the morning and much excitement was caused all over the Summit. Telephone messages were sent in every direction.

The detective of the railroad company were early put in touch with the situation and arrived between seven and eight o'clock on the job. They were working on the job, but they were not worth while since they have been brought to the surface.

The parties were evidently afraid and not only knew just about what they would be let to go with but the truck found was the only true evidence of the crime. This furnished only a clue to the robbery and probably took immediately from the station. There are many roads that reflect out from that station and just which of the robbers took is the question the detectives are now trying to solve.

It was the belief, police and the company and they that have ever covered the mountain.

A number of ladies, who had just arrived from the city to enjoy their vacation, are benefit not only of their bodies and belongings but their wardrobe and personal effects.

GETS ANOTHER DISTRICT

Local Revenue Territory Changed and Re-designated.

BOHEMIANS HERE TO HARVEST CROPS

Five Twenty Acres of Beans on Farms Near Littleton to be Planted by Forty Foreigners who are Given Special Quarters.

The population of German township has been increased by forty men, some with families. They are Bohemians and have been brought here from Baltimore by B. F. Shriver and Company, extensive carmen of vegetables.

These people are here for the purpose of picking the beans grown on the B. F. Shriver farm, the Littleton farm of 22 acres, and the Shriver farm of 28 acres. In addition to these there are some number of farmers have planted beans, making a total crop of the 110 acres which the company will handle.

The Shriver Company has erected large and comfortable "bean houses" in a grove on their Littleton farm to accommodate these people. It is a two-story structure, 50 x 18 ft. of plumed lumber. The quarters are for the men, the benches ranging along the side. The lower room is divided into compartments for the women and children.

Two porches, eight feet wide, extend the entire length of the building on the north and south ends. On these porches are the dining tables, seats consisting of four or eight seats. The cooking is done in the building. A wall has been drilled over the side of the building.

The prospects for a large bean crop have been bright here. Last year the seventy-five originally planned were.

BOHEMIANS HERE TO HARVEST CROPS

Five Twenty Acres of Beans on Farms Near Littleton to be Planted by Forty Foreigners who are Given Special Quarters.

There is trouble, and not a little of it, in the ranks of Hagerstown's farmers, and the latest development is a case of discrimination being the release of the Bohemians, Thursday evening. They had been playing during the early part of the season only to be let in this week and now they are being released.

He was eighty-nine years old and is survived by three sons and one daughter. He was born in Germany and came to America in 1880. He was a member of the German American Society of Hagerstown.

The funeral will be held Sunday morning leaving the home at 10 o'clock. Services will be conducted at the Red Mount church by Rev. L. A. Miller, of Wellsville. Interment will be made in the adjoining cemetery.

MRS. C. S. MOUL

Mrs. C. S. Moul, formerly of Gettysburg, died at her home in Hagerstown, following an illness of several months. She was the wife of Mr. Moul.

She leaves her mother, Mrs. Della Moul, of Hagerstown, and her father, Mr. Charles Moul, of Hagerstown. She was also survived by her son, Mr. William Moul, of Hagerstown, and her daughter, Mrs. George Moul, of Hagerstown.

The funeral was held in Hagerstown at 2:30 from her late home, Rev. George W. Nicely officiating.

NOT BE OBSERVED

Visitations of Bureau's Orders will be Tolared.

Bureau's Elkhorn will have four policemen on duty Saturday to see that his orders regarding the use of fireworks and his cartridges are strictly carried out. No fireworks of any kind may be set off in Gettysburg before Monday, though the store will be allowed to sell them on Saturday.

He will be held accountable for what they did their children use on any purchases before Monday. An effort was made to have Bureau allow the use of fireworks after the celebration Saturday but the Bureau is likely to be crowded with people and he deemed it best for the general safety to adhere to his original orders, and it is hoped that citizens generally will co-operate in their enforcement.

NOT PREPARED FOR DISPLAY

Shore's stock of fireworks exploded with little warning and exploded in less than a few minutes' time.

A stray spark set fire to a large assortment of fireworks at the store owned by W. Schottler, 1015 N. Western in Westminster and when the demand for Independence Day goods was so great, and before anyone could be done to save the things, every display exploded and a large amount of damage was done.

Mr. Schottler, who is now at the home of Mr. and Mrs. N. N. Myers for several days, conducts the R. & L. store in Westminster and he has been displaying on the lot in front of his place of business. Firecrackers, Roman candles, sky-rockets, sparklers, and fountains were all included in the assortment and lying around at a large rate.

It was while Mr. Schottler was at the store that a spark from the firecracker stood a spark on the table when he was putting off a firecracker. He realized instantly what had happened and gathering an armful of the things threw them into the gutter. The damage was done, however, and in a few seconds, rockets, firecrackers, fountains and all the other things started to shoot about in amazing fashion.

From one side to the other, hundreds of the crackers began to explode and the display was so brilliant as to keep the faces of those who stood nearby bright. The smoke was so thick that the front of the store caught fire, the large sign was turned and the confusion was terrible. The fire was stopped only when all the fireworks had exploded and there was nothing else to burn.

Mr. Schottler says that his loss was about \$150. Most of the pictures were small and the collection filled a large table.
